Character studies D1 and D2

Compare expression, silhouette, clothing and personality.

D1 Chaotic inventor

All enthusiasm, big ideas and very little caution. A waving wrench and stretched grin sell his restless curiosity.

D2 Smooth talker

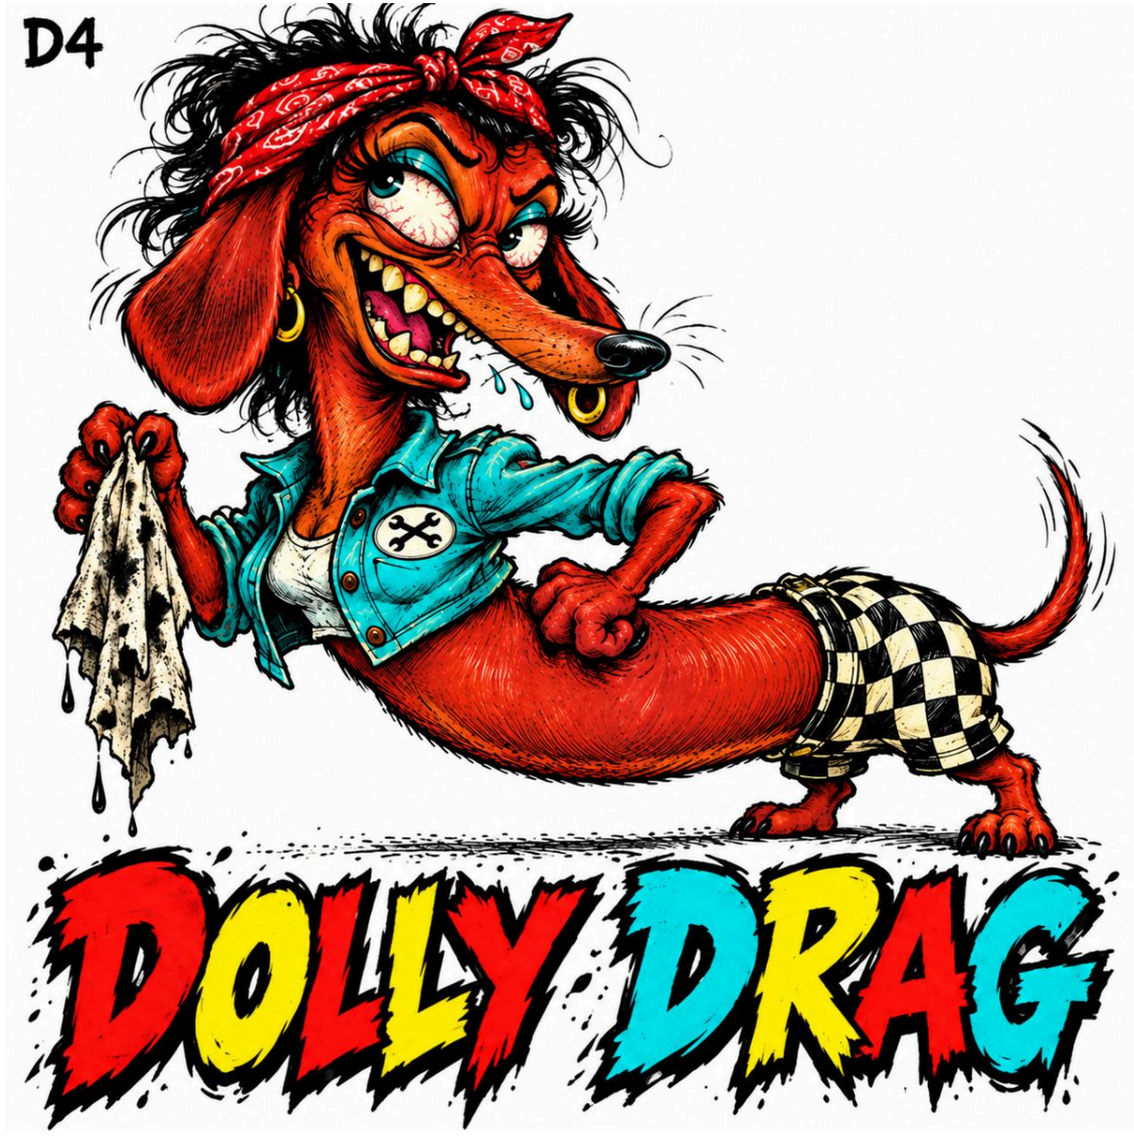
Cool, sly and pleased with himself. The relaxed eyelids, pompadour and loose bowling shirt make him the charmer.

Character studies D3 and D4

Compare expression, silhouette, clothing and personality.

D3 Nervous worrier

Always expecting the next disaster. Shaking hands, a zigzag body and huge staring eyes keep the energy tightly wound.

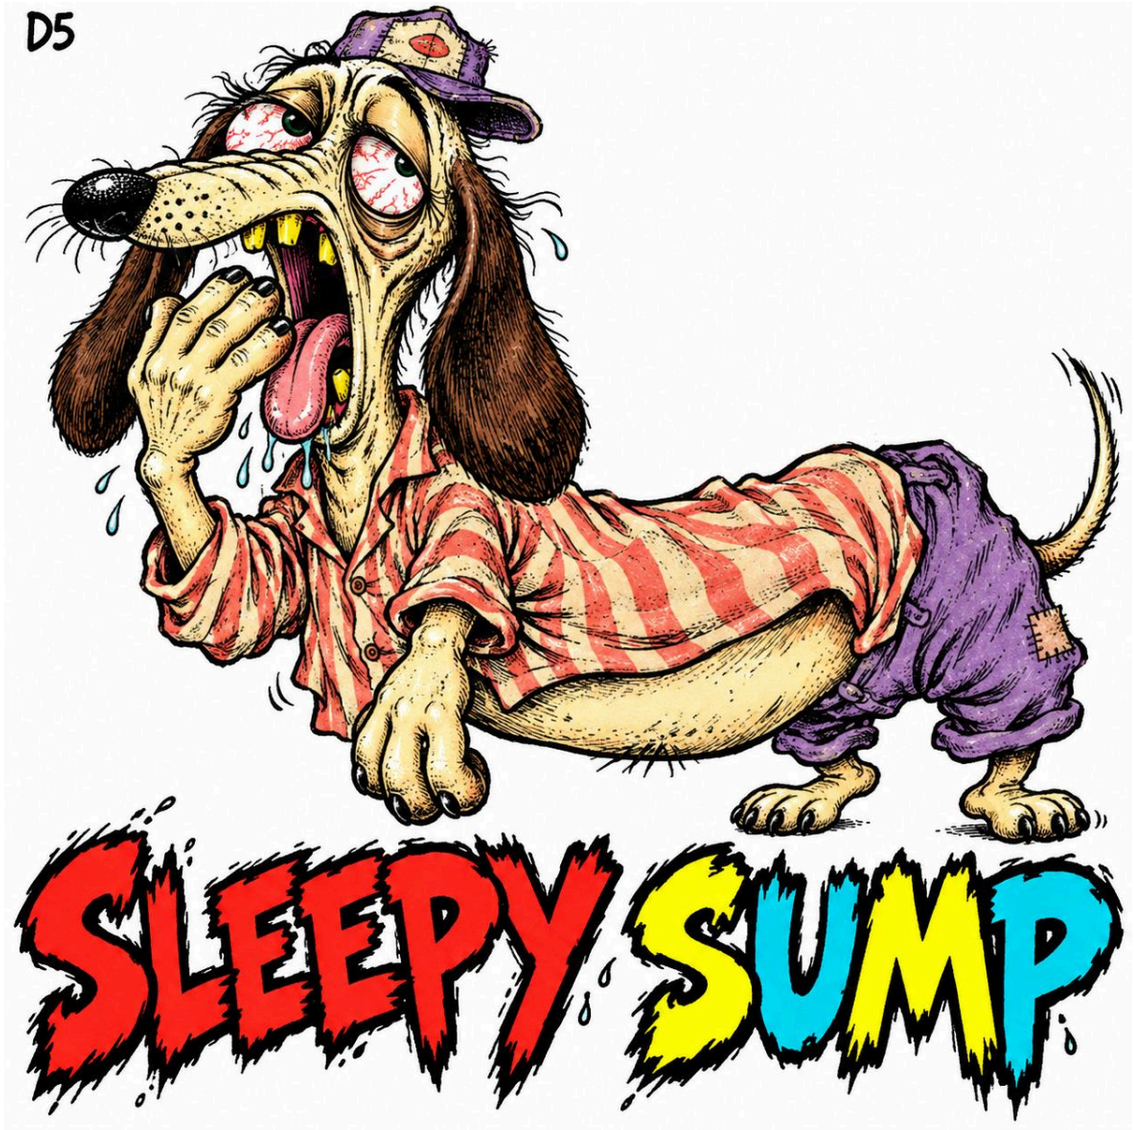


D4 Fearless shop boss

Sharp-witted, confident and hard to impress. A cocked hip, knowing side-eye and oily rag give her command of the room.

Character studies D5 and D6

Compare expression, silhouette, clothing and personality.



D5 Night-shift slacker

Permanently short on sleep. The huge yawn, drooping hands and rumpled stripes turn exhaustion into his signature.

D6 Scrappy tough guy

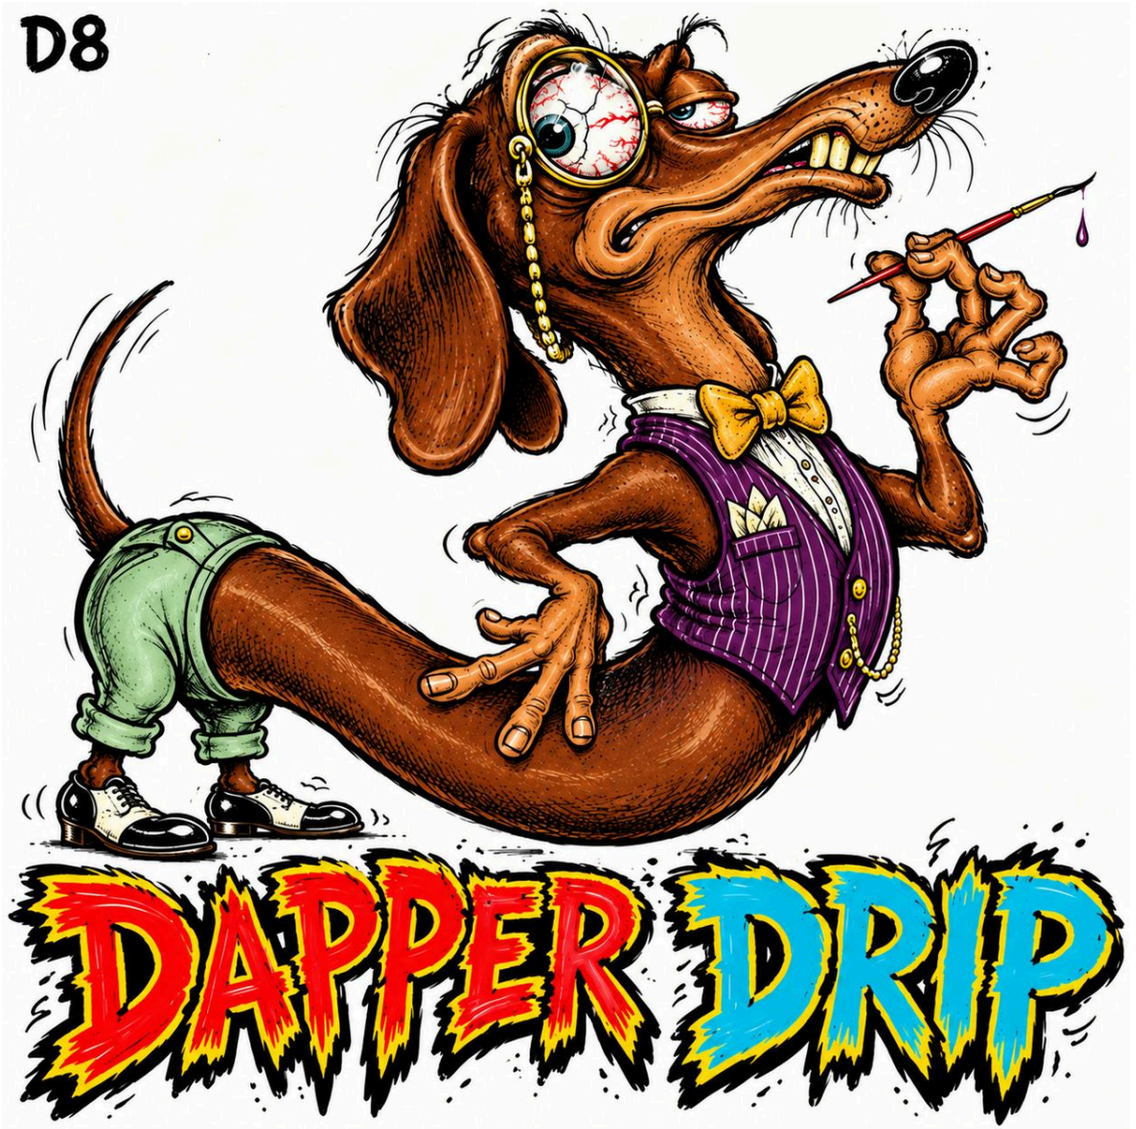
Hot-headed and ready to argue. A low stance, knuckled fists and clenched crooked teeth make him compact trouble.

Character studies D7 and D8

Compare expression, silhouette, clothing and personality.

D7 Hyperactive daredevil

Thrilled by everything and impossible to keep still. A bouncing curve, flung ears and a thumbs-up make him pure motion.



D8 Fussy perfectionist

Precise, theatrical and mildly offended. The monocle, tiny brush and immaculate waistcoat make every gesture feel judgmental.

Character studies D9 and D10

Compare expression, silhouette, clothing and personality.

D9 Gleeful prankster

Always one joke ahead. A hidden squeaker, wicked wink and pointing finger make him the mischievous one.

D10 Grizzled old-timer

Gruff, stubborn and secretly dependable. Bushy brows, a lecturing finger and battered oil can give him shop-floor authority.
